Dear Friends:

Thank you for your recent contribution to the Association of Arizona Food Banks. **Your gift helps us fulfill our mission - to deliver food and services to food banks and foster relationships in support of our commitment to eliminate hunger.**

In the last twelve months we've delivered 62.3 million pounds of food, mostly donated, from in and beyond Arizona to statewide food banks, more than doubling their supply. This food ultimately nourished needy Arizonans through after school programs, senior centers, domestic violence and homeless shelters, church pantries, emergency food boxes and other basic services. Today 830,000 Arizonans live in poverty (\$20,650 annual income for a family of four), and most of them will be assisted by one of these services this year.

The Association will continue to advocate at the local, state and national level for more effective nutrition assistance policies and programs - from school lunches to help children develop strong bodies and minds to senior programs to help our elderly maintain health and strength.

You are the key to our success – as we help in the present and work to change the future. Thank you.

Sincerely,

R.F. Evans, Jr.
President, Board of Directors
